Why partner with Krasmi

Bilingual. Native Finnish, fluent English: content and callouts work for Nordic and international audiences.

Production quality built in. Professional editing (DaVinci Resolve) and OBS/Streamer.bot workflows, so sponsor integrations look and sound polished, not bolted on.

Rooted in the Finnish games and esports scene. Active ties to IGDA Finland, KAMK.GG and the Finnish Game Jam: real reach into a niche, engaged audience.

Steady, growing channel. Regular stream and upload cadence and an actively growing Twitch community.

Content pillars

Variety gaming · Tech tutorials · Stream-tool guides · VTuber / dragon lore · Community events

Past brand fit

Gaming peripherals & PC hardware · streaming software & overlays · energy drinks · Nordic gaming events · creator-economy tools
